

DRIVE MOTORS RECEIVES TOP RATED DRIVINGSALES DEALER SATISFACTION AWARD

SAN FRANCISCO (January 30, 2019) – [Drive Motors](#), which builds online car-buying solutions for the largest car-dealer groups, banks, and brands in the country, has received a Top Rated Dealer Satisfaction Award in the ninth annual DrivingSales [Dealer Satisfaction Awards](#), presented at a special event today in conjunction with the 2019 National Automobile Dealers Association (NADA) Convention & Expo. Drive Motors received a top dealer satisfaction ranking in the “Digital Retailing” category, as determined by the thousands of auto dealers who are part of the DrivingSales.com community.

“We are proud to offer our clients an unparalleled, transparent, and seamless online checkout experience, and it is especially rewarding to be recognized by the automotive community as number-one in dealer satisfaction,” said Aaron Krane, CEO and founder of Drive Motors. “Being celebrated among our peers during NADA is an invigorating way to kick off 2019, and we look forward to making more exciting announcements throughout the year.”

The DrivingSales Dealer Satisfaction Awards measure dealer satisfaction with vendor products and services, and are based on cumulative ratings tallied and verified over the calendar year (January through December) at DrivingSales.com [Vendor Ratings](#). DrivingSales Vendor Ratings is the industry’s only neutral, comprehensive vendor rating forum featuring real-time peer reviews and honest competitor comparisons, and provides dealerships with important information from actual customers who have hands-on experience using vendor products/solutions in their stores. Each rating is verified as coming from an actual dealership employee.

“We congratulate Drive Motors on receiving a Top Rated Dealer Satisfaction Award, an accolade we consider to be one of our industry’s most important because it comes directly from dealers,” said DrivingSales CEO and founder Jared Hamilton. “In our ninth year of presenting these awards, we feel especially proud that DrivingSales Vendor Ratings continues to help dealers make smart and informed decisions through thousands of peer reviews that lead them to outstanding service providers such as Drive Motors. We’re thrilled they have been recognized as one of the best by the people to whom their services count the most: the dealer community.”
